

"Swing Into Reading"

LNES Jungle Themed READING CHALLENGE

Students and parents... Jungle Readers!

This is a reminder to participate in the "Swing Into Reading"

School Wide Reading Challenge!

Oct. 1st-Dec. 1st

That's right, it ends Dec. 1st. That is because we will be having TWO challenges this year. This one before the winter break and another one after.

- You can find the Challenge on the Beanstack App.
The Beanstack app can be found on each student's iPad (through CLEVER).
- Beanstack instructions can be found on the Library Schoology Page.
- Simply log what you read or listen to onto the app and it will add up quickly.
- Here is how many entries you need to complete the challenge:
K=25 entries 1st-2nd= 35 entries 3rd-4th=45 entries
- Some things to know: Picture books count as one entry, Chapter books - each chapter counts as 1 book/entry - To log a chapter book, just write the title of the book and the chapter number at the end of it before logging it. Books that have very short chapters, diary entries, graphic novels, poetry or joke books, etc... PLEASE count 40 pages = 1 book.
- **DIGITAL BOOKS** can be used- **BIG UNIVERSE**- an eLibrary, is located on Clever as well and contains a great variety of genres to read. Links to logging into and using BIG UNIVERSE can be found on the Library SCHOLOGY page.
- **READ ALOUDS** can be used- **READ ALOUDS** by Mrs. Trauger are located on Clever under the title "C. Trauger's Page".

Be sure to contact me for any questions ... ctrauger@nazarethasd.org
